subject: Unlawful use of voter registration information

**They used the Voter Registration confidential email addresses to send these political ads.**

**The same people who want to spy on you to see if you are in your home 183 days per year and say we should “trust them”, are now illegally using your confidential voter information for unlawful political advertising.**

Yes on N South Lake Tahoe Vacancy Tax advocates sent from “Yes@VibrantnotVacant.com” – has unlawfully used private, confidential information from the strictly controlled Secretary of State or El Dorado County Registrar of Voters offices to email political campaign advertisements to residents of South Lake Tahoe.

These files are only provided to individuals and organizations that sign an affidavit that they will only be used for research and will only be used on “secure computer systems”. They are even encrypted in order to prevent them being used by unauthorized individuals. The application MUST include a clear copy of the applicant’s current driver license or state identification card.

Prohibitions:

- Using the data for an unapproved purpose;
- sharing or transferring the data to any other party without the submission of a new application and the express written approval of the Secretary of State;
- Using the data to harass any voter or voter’s household;
- Using the data for any commercial, advertising, or marketing purposes;
- Leaving the voter data unsecured and publicly available online or offline. A violation of the above constitutes a misdemeanor, subject to significant fines. (Elections Code section 18109) Business and Professions Code - BPC

The advertisements acknowledge that they obtained the email address from the closely regulated Voter

#### **Here's why locals are voting YES on Measure N:**

##### **PROTECTS THE FUTURE OF SOUTH LAKE TAHOE**

- 44% of all homes now sit empty most of the year, 7,000+ homes
- Number of empty investment properties and 2nd homes is increasing
- Tahoe City's vacancy rate is 70%, we'll follow them unless we act now
- School enrollment is down 38%, we're losing families and school funding

##### **SUPPORTS LOCAL BUSINESSES & WORKERS**

- Boosts spending by recovering an estimated 1,500 full-time households
- Independent report estimated \$27M boost in local annual retail spending
- Creates more workforce housing so businesses can find & keep staff

Re: California Voter Registration File Request #2093

Dear John Messina,

The enclosed disc contains the voter registration data you requested from the state of California.

The file has been encrypted using 7-Zip software and will require a password. You will find the decrypted data is in a standard tab-delimited text format. The first record contains the names of each field. To decrypt the file:

1. Open the .zip file with 7-Zip or another zip utility that supports .zip files.
2. Unzip the files to chosen location by entering the password provided by our office.

You are approved to use this data only for the purpose stated in your application – **not for any type of commercial purpose**. Authorization must be obtained from the California Secretary of State before this data can be used for any other purpose or before it can be transferred to another party. This data is required to be maintained in a secure and confidential manner.

Please contact our office at (888) 868-3225 for the decryption password.

Sincerely,  
Margarita Arroyo  
Elections Analyst
